WESTERN CANADA'S LAW FIRM

2025-2026 ARTICLING STUDENT PROGRAM

We will be seeking applicants for 2025-2026 articling positions in our Winnipeg office in spring 2024. Students who share our commitment to the highest standard of professional performance are encouraged to apply.

With offices in Winnipeg, Regina, Saskatoon, Calgary, Edmonton and Vancouver, MLT Aikins is a leading firm in Western Canada and dedicated to legal excellence and cost-effective, innovative client service. Our expanded geographic reach and bench strength offer greater opportunities for mobility and specialization.

MLT Aikins is an equal opportunity employer and is committed to building an inclusive and diverse work environment. Our principles of diversity, equity and inclusion create a space for everyone to collaborate, allowing us to deliver excellent and increasingly innovative legal service to our clients.

Learn from experienced lawyers and interact with clients.

We provide our articling students the chance to experience all areas of legal practice within our firm, and facilitate direct exposure to our clients. Our program introduces students to the practical aspects of law, including attending discoveries, court hearings and client meetings, drafting pleadings and commercial agreements, and assisting in a wide variety of commercial transactions.

Contribute to challenging work projects in a collaborative environment.

We hire students who have the qualities and potential to become tomorrow's partners. In our supportive work environment, students can seek assistance from any lawyer and are given the highest quality legal and technical support. We assign each student an associate mentor and a partner principal who guide the student experience and help foster relationships and opportunities within the firm.

Belong to a team that values community engagement.

We are committed to bettering our communities, and we encourage our lawyers, staff and students to volunteer with charitable organizations. Students also have opportunities to develop their legal knowledge, expand their professional networks and socialize with colleagues through firm activities.
